Dreams of the Taj™

Delhi 2 nights >> Jaipur 3 nights
Agra 1 night

India is not a country but a continent and travelling through it is an experience like none other. Overwhelming in its chaos at first, it gradually unfolds unique delights. You may find it in its majestic forts, monuments and temples; in exquisite crafts; in traditional and contemporary arts; in the bustle of its colourful bazaars; landscapes and nature reserves; in diverse cuisines; or in the unexpected beauty that filters through the chaos.

The famous Golden Triangle is a traveller's survey of Indian icons with Rajasthan's capital, Jaipur, at one of the apices. It kicks off at the daunting mega metropolis of Delhi, with its majestic Mughal heritage, and then angles to Agra, where one of the world's most famous tombs, the Taj Mahal, defines the city. The triangle is completed at Jaipur - a city painted pink with some of the most colourful bazaars in India. Moreover, Jaipur is the gateway to Rajasthan, and once you've slept in a palace, entered a medieval fort or swayed on a camel, you'll want to experience more.

This program has been especially curated for those who are visiting India for the first time and would like to get a flavour of the different facets of the country be it - the heritage, architecture, arts & crafts, culture: city and rural, culinary delights and its diverse wildlife. Royal Rajasthan

Delhi 2 nights >> Agra 1 night
Jaipur 3 nights >> Udaipur 2 nights
Jodhpur 2 nights

Rajasthan is the jewel in India's crown. It's the forts and palaces that grab your attention. Massive forts emerge from mountain tops, their battle-scarred ramparts still defying long-dead enemies. Spiked doors that once held war elephants at bay open onto the twisting approaches to the palaces within. Austere and practical gives way to fantasy and opulence once safely inside. Carved marble and stone, fountains and coloured glass decorate the halls of business and rooms of pleasure. Rajasthan is literally the Land of the Kings. It is home to the chivalrous Rajputs, and its battle-scarred heritage has bestowed legacies of pride and tradition. The upper echelons of this medieval society built magnificent palaces and forts, many of which are now glorious hotels and museums. In addition, stunning handicrafts and fine arts were developed and nurtured through patronage by the maharajas. Village life remains steeped in tradition but, just like the rest of India, the pace of change is accelerating. Turbaned men still barter for decorated camels - they just relay the successful deal home via a smart phone.

Kerala God's own Country

Kochi 2 nights >> Thekkady 2 nights
Kumarakom 2 nights

For many travellers, Kerala is South India's most serenely beautiful state. A slender coastal strip is shaped by its layered landscape: almost 600 km of glorious Arabian Sea coast and beaches; a languid network of glistening backwaters; and the spice - and tea-covered hills of the Western Ghats. Just setting foot on this swath of soul-quenching, palm-shaded green will slow your subcontinental stride to a blissed-out amble. Kerala is a world away from the frenzy of elsewhere, as if India had passed through the Looking Glass and become an altogether more laid-back place.

Besides its famous backwaters, elegant houseboats, ayurvedic treatments and delicately spiced, taste-bud-tingling cuisine, Kerala is home to wild elephants, exotic birds and the odd tiger, while vibrant traditions such as Kathakali plays, temple festivals and snake-boat races frequently bring even the smallest villages to life. It's hard to deny Kerala's liberal use of the slogan 'God's Own Country'.

Day 1 Kochi

Arrive in Kochi this day.

Day 2 Kochi

Post breakfast we start the day to explore one of the most historical city including the oldest synagogue in the commonwealth followed by visit to the ancient Dutch Palace & the oldest European built Church in India. You can take an optional excursion to the first eco-friendly village of India, Kumbalangi. In the evening watch a performance of the local dance Kathakali.

Day 3 Thekkady

Post breakfast drive to Thekkady. Rest of the day is free to explore the surroundings of this plantation region. In the evening proceed for plantation tour, where you will get a chance to know the history, growth & development of Indian spices.

Day 4 Thekkady

After breakfast proceed on a boat safari in the Periyar national park. Explore this famed national park. A herd of elephants or a wandering family of deer are common sights near the lake. Rest of the day at leisure.

Day 5 Kumarakom

After breakfast drive to Kumarakom. In the evening go on a bird watching tour with a naturalist. The beautiful sanctuary is a home to many rare varieties of migratory birds from different parts of the world. Afternoon try an Ayurveda massage at the hotel spa.

Day 6 Kumarakom

Most of this day will be spent on the lake on a houseboat. Enjoy this unique experience of cruising through the backwaters of Kerala. There are probably fewer things more relaxing than this.

Day 7 Departure

After breakfast, drive back to Kochi & transfer to the airport for your flight back home.

Cost:

This journey will include 6 nights hotel accommodation on room + breakfast basis; all transfers, inter-city journeys, tours and excursions using air-conditioned private car; services of professional English speaking guides in each city (guides in other languages available at supplement) and all currently applicable monument entrance fees and taxes.
